Cleansing Mousse

Gently cleanses your skin without removing the skin's natural oils. Includes no harsh chemicals or detergents. Contains natural ingredients, botanicals and vitamins to hydrate and nourish your skin, protect it against environmental aggressions and inhibit hyper-pigmentation to even skin tone. The result is a healthy and radiant-looking skin.

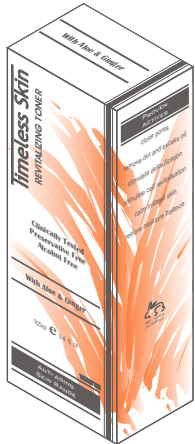

Hydration Mask

For deep cleansing and gentle exfoliation. Oatmeal and Rooibos are combined to unclog pores and neutralise free radicals. Aloe ferox and Aloe vera botanicals restore cell moisture, sooth irritated skin, provide anti-inflammatory action and assist in the repairing of damaged cells. The result is a soft, supple and smooth complexion with visible improvement of skin texture.

Revitalizing Toner

Closes pores and removes any remaining traces of dirt and oiliness. Contains botanicals and natural ingredients that stimulate micro-circulation, facilitating detoxification and cell revitalisation. Calms irritated skin whilst restoring moisture balance. Leaves your skin radiantly clean without drying it.

Energizing Serum

Stimulates micro-circulation to detoxify and revitalise skin. This product is formulated using a unique blend of skin nourishing silicones to protect, soften and condition your skin. Specialised ingredients reduce age spots and inhibit hyper-pigmentation. Contains anti-aging actives that fight the signs of aging and prolong moisturisation. The result is a resilient, younger-looking skin.

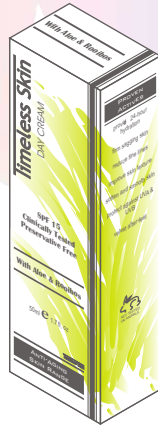

Eye Cream

Contains bio-active peptide complexes that have been proven to reduce under-eye circles, treat under-eye puffiness and reduce fine lines in more than 60% of participants within 8 weeks. Moisturises sensitive skin around the eyes to delay wrinkle formation.

Day Cream

Provides all-day skin nourishment to pamper your skin. Contains anti-aging actives that have been proven to tighten fine lines and improve skin texture within 4 weeks. Locks moisture in to provide 24-hour skin hydration without clogging the pores. Collagen-fortified to firm sagging skin. Contains UVA and UVB filters (SPF 15). Complexion is protected, looking fresh, radiant and visibly younger.

Night Cream

Deeply hydrates, detoxifies and re-energises your skin while you rest. Anti-aging actives stimulate micro-circulation to improve collagen and elastin production to firm your skin's structure. Provides intensive nourishing and skin hydration to delay signs of aging.
